HEARINGS MEETINGS & LICENSES
NEW HEARING – Earth Removal Permit, Applicant, Zenith Consulting Engineers, Owner Axis Rentals, LLC – 144 E. Grove Street, Assessors Map 065, Lot 5611
Attorney Michael O’Saughnessy, Nyles Zager – Zenith Engineering Consultants and Anders Martenson III were present for the discussion. Chairman Dalpe opens the hearing and reads into the record the legal notice. Green cards are returned.

Mr. Zager provided an overview of the timeline and process that Mr. Martenson followed for his building permit. He noted that the process began by submitting a plan to Natural Heritage and did not have any issues. They completed the SWPPP for the NPDES Construction general Permit and receive a response in 3/2/17 stating that the project would not result in take. Then they provided a full set of plans to the Building Department and a build permit was issued for three commercial buildings. Mr. Zager points out that the applicant at that time had no idea that an Earth Removal Permit was required and when he asked, he was told it was not necessary as it was incidental to the construction of the buildings.
Mr. Zager continues with how Mr. Martenson brought in a contractor to come in and remove the materials, which was being done for a significant amount of time. He explains that the material that was there is not something that contractors want. The material is not great and the first contractor left the site. A different contractor was brought in and he had begun working the site when the Board issued a Cease & Desist on the project. Since that time the contractor has left the site.

There is reference to the Department comments. It is noted that the applicant has been working on the site since the Cease & Desist was issued/lifted in order to stabilize the site, fencing and fix the grades so that no one gets hurt.

Selectmen Stewart speaks about the runoff water issues and how the Conservation Commission got involved.

There is discussion on the amount of earth removed so far. It is estimated that 40,000 – 50,000 square cubic yards have been removed.

Chairman Dalpe opens the hearing up for public comment.

James Gaudet, Sr. speaks about his son’s property and how the water was running off and onto his sons, across the street. He noted that trees were coming down on his son’s property because of the water and hay bales had to be put up. He states that it’s a shame this wasn’t done earlier.

Selectmen Stewart recalls the beginning of the project and the siltation coming down and into the road, the developer was contact and asked to sure up the property at that time.

Jim Gaudet, Jr. & Nicole, residents at 143 E. Grove Street, explains how they called numerous times for months and months about the water problems. She speaks about the dust and how their home went through two air conditioners. She notes that the dust was not controlled and that there was never a water truck onsite. She states that her property is ruined because of this.

Selectmen Rosenthal asks the residents who they called. Jim Gaudet Jr. states that he called Mrs. Lieb’s office to let her know what was occurring.

There is no further public comment. There is a brief discussion by the owner who asks the Board if he can put up a fence around the property. The Selectmen agree but no vote is taken. It is suggested that the owner reach out to the resident that had the issue and work with him on it, as well as meet with the Department Heads to discuss and work toward resolving their issues.

Upon motion made by Selectmen Rosenthal and seconded by Selectmen Stewart, the Board voted unanimously to continue the hearing for the Earth Removal Permit, Applicant, Zenith Consulting Engineers, Owner Axis Rentals, LLC for property located at 144 E. Grove Street, Assessors Map 065, Lot 5611 to March 25, 2019 at 7:45 PM.
