

Middleborough Cable Franchise ON-LINE SURVEY

As part of the cable franchise renewal process, we need to gather information about your experience with Comcast Communications and Verizon.

We want to learn about how you would like to use the community/PEG access channels, MCCAM, and a community access studio, facilities and video/media equipment available in the future.

**Please provide your input by completing a survey questionnaire using the easy-to-use online survey questionnaire.
You can find the online survey at:**
