AGENDA

Get involved in planning how open space and recreation can be improved in Middleborough! Middleborough is updating its Open Space and Recreation Plan (OSRP). Join the Town of Middleborough and SRPEDD staff to share your ideas on open space and recreational lands, facilities, and activities in Middleborough to guide which goals and action items are included in the 2022 OSRP.

The virtual public workshop will be a virtual drop in style where you can come and go as you please during the two-hour window on Wednesday, January 19 starting at 7:30PM on Zoom.

During the workshop we will have a brief presentation introducing the Open Space and Recreation Plan process. After the presentation, we want to listen to the residents of Middleborough on what they want to see for open space and recreation in the future. We will be using an online interactive mapping exercise to add the comments onto specific locations.
